TO WHOM IT MAY CONCERN

SAVVY MAINTENANCE & RENOVATIONS

The above company have just completed a residential conversion & new build project for us in Oxford with a contract value in excess of £200,000.00.

They have been very good to work with, conscientious and well organized. The work was completed ahead of programme & to budget.

I have personally known Stephen Dunne for a long time and this practice would have no hesitation in recommending Savvy for future projects.
