**CHANGING PLACES**  
**CHANGING LIVES**

Dear Steve,

We just wanted to thank Savvy formally for all the work you have carried out to date with Groundwork on our contract with Oxford City Council.

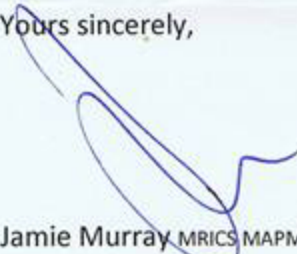

We have received excellent feedback from the Council with particular reference to your quality of workmanship and attention to detail.

Having worked with the Council for several years now I know how particular they can be and how high their expectations are so it is invaluable to us when we find such a good delivery partner for our work.

It is clear that you manage a very professional team and I cannot fault the service you have provided us with to date.

Once again, thank you for all your efforts and we look forward to working with you again in the near future.

Yours sincerely,
