

Recommendation

I would highly recommend Savvy maintenance & Renovations services.

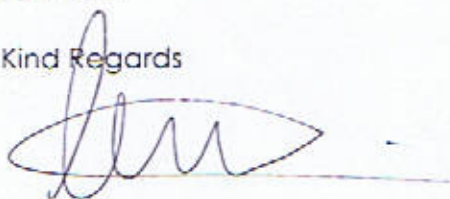

Savvy have proved to be a tremendous asset to Malmaison hotels for a number of years.

Savvy operatives are well trained in customer services and are always polite and considerate to our guests.

They always come to our hotels smartly presented in their uniforms, looking every part as professional as the Malmaison would insist, this includes their clean vans and well signed working areas.

We trust and rely on savvy and have no hesitation when recommending their services.

Kind Regards

Andrew Creese
General Manager
Malmaison Oxford
