Dear,

Re: Savvy Maintenance and Renovations Ltd

The work carried out by Savvy has been of a consistently high standard during the past 5 years of dealing with the Directors.

All emergency calls and planned works have been handled with an extremely prompt and efficient service day and night, this includes consideration for our customers, smartly dressed and highly trained operatives, and overall a feeling of working with a team we have come to rely on.

Savvy Operatives know the buildings and grounds at Oxford Castle very well and our staff know and trust the operative's Savvy employ which makes the process more straight forward.

We would highly recommend the Services of Savvy Maintenance and Renovations Ltd.

Yours Sincerely,

Jean-Pierre Morilleau
General Manager
Oxford Castle Ltd

The Treadwheel Building, 43 Oxford Castle, Oxford, OX1 1AY
